

2016 Summer Camp Fees

The Camping and Outdoor Program Committee will continue to use an all-inclusive camp fee in 2016 with a slight change due to the high cost of operation. Day Trek will have an additional \$50 fee, Water Sports Merit Badge will have a \$50 added charge and a \$25 charge for Shotgun Shooting Merit Badge. The other programs will still fall under the one fee to encourage a greater percentage of our youth and adults to commit early to camp and provide our camps with the ability to offer an even better program at a competitive rate by:

- Being mindful to avoiding overbooking at the camps.
- Adjusting staffing and class offerings as necessary where increases in campers dictate
- Ensuring sufficient supplies are in camp before the season opens
- Purchasing supplies in advance and in bulk, with mail order and negotiation

To support our camping programs there are several incentives that we will offer in 2016:

- \$100 off second full week of camp at our Laurel Highlands Council resident camps, prorated for Cub resident camps and adults. Discount must be applied at second week of camp, no refund after completion.
- \$50 Trading Post certificate for nominating a newly selected staff member.
- Bring another unit of at least 10 youth and save \$40 per youth in your own unit not to exceed the number of new Scouts.
- Late Webelos crossovers and new Scouts will still be exempt from the late registration fees.
- The Cap Program at Heritage and Seph Mack will be continued with redesigned caps and every full session camper, youth and adult, will get a free cap. Units will still have the option to customize them for \$6 each.
- This year's leader fees will accommodate amenities for the leaders, with improvements to their area.
- For every 6 resident Cub Scout registrations, 1 free leader and 1 free Den Chief is applied per unit per registration.
- For every 6 resident Boy Scout registrations, 1 free leader is applied per unit per registration.
- Tent and Platform Capital Fund - \$2 per day, per registration will be put aside to maintain and upgrade our tents and platforms and cots. **This is the only maintenance and operation fee increase for 2016.**

Boy Scout Resident Camp	Commit by 4-1-16		Commit by 6-2-16		Commit after 6-2-16	
	Scout	Adult	Scout	Adult	Scout	Adult
