

Pack 3828 Meeting Minutes April 3rd, 2018 at 6:30 pm

Secretary Report (Stacia)

Kyle and Kim have provided information for possible grants from their places of employment. Our old EIN number no longer is valid and it appears a new EIN must be obtained. Tom provided the current Pack EIN number. Stacia will proceed to complete these in the next couple of months.

Succession planning in the process. Thank you to those parents that have volunteered! Still looking for additional parent volunteers for a few positions. Please contact Stacia or Shane to discuss further.

Our Pack has reached its stretch goal for the Friends of Scouting! This provides the Pack with additional awards and saves the Pack money for purchasing advancements. Thank you to all that donated and supporting Scouting!

No applications have been received yet for the Pack Scholarship. Scholarship night is May 22nd at 7pm.

Stacia will continue to collect health forms for camp...only a few more needed. Final payments for camp are due at our April 8th meeting. Tom has sent out an updated balance to the Pack. Stacia will send out reminder email regarding final payments.
